

Dear Hospital,

I would like to tell you about a great new service I heard about. Veterinary Dental Service provides personal dental health care for my pet and they would love to come in and give you a free demonstration and a free lunch!

I hope you look into it and consider providing this invaluable service at your hospital.

Sincerely,

760-470-9866, [www.VeterinaryDentalService.com](http://www.VeterinaryDentalService.com)
